

FRIENDS OF THE WILSON

TRUSTEE PROPOSAL FORM

The Trustees (also known as the committee) are responsible for the operation of the Friends. The Constitution allows for twelve Trustees. Roles within the committee are allocated by the Trustees themselves.

A proposal form is below. The closing date for proposals is 10 June 2017. If you wish to propose more than one person, please copy the form onto a plain piece of paper.

Please be certain that the person proposed will be able to carry out the full duties of a charity trustee if elected. The Trustees will decide on the timing of their regular meetings at the first meeting after the AGM, but at present they are held in the afternoon of the first Tuesday in January, March, May, July, September and November.
