After the huge success of our tour to Coventry last May, we have decided to offer a similar short break based in Liverpool, a thriving city with its array of museums and culture. Our itinerary will provide an insight into the city with our included guided tour, along with an en-route visit to one of the North West's leading attractions – Port Sunlight Village - and free time for you to explore parts of the city which are of personal interest. We do hope you like our latest group tour and look forward to receiving your completed booking form in due course.

Your itinerary

Day 1

Depart at approx. 08.00hrs. and travel North, making an appropriate comfort stop en-route, to Port Sunlight, the village founded by 'Soap King' William Hesketh Lever in 1888. The Village was built to house Lever's 'Sunlight Soap' factory workers, but today is home to a fascinating museum, beautiful architecture, the world-class Lady Lever Art Gallery, stunning parkland and a thriving community. Our pre-booked visit will include a guided tour on board the coach along with free time to explore the Village and Art Gallery. After what is sure to be a very interesting visit, we will continue to the Jurys Inn Liverpool, where accommodation is reserved for two nights on a dinner, bed & breakfast basis.

Day 2

After breakfast a local guide will meet the group at the hotel for a tour of the city both on the coach and on foot. After this morning tour the remainder of the day will be free for you to explore the city, including its two cathedrals, Tate Liverpool and much more. A hidden gem in the Central Library is the impressive Picton Reading Room, one of the most beautiful libraries in the world.

Day 3

Check out of your room following breakfast and leave your luggage in the hotel's left luggage facility. It's then an approx. 10-15 minute walk, (or for those who have any mobility issues, or the weather is inclement, the coach will be on hand) for the short transfer to Pier Head from where we will board the Mersey ferry for the 50-minute River Explorer cruise. There will then be more free time in the city, perhaps to visit the Walker Art Gallery and World Museum which are free to enter. We will make our way back to the hotel in the afternoon and the coach will depart for the return journey to Cheltenham, making an appropriate comfort stop en-route, arriving home mid-evening.

During the course of the tour, we will be visiting Crosby Beach to view the breathtaking life-size figures 'Another Place' by Antony Gormley.
