*After the success of our group tour to Yorkshire, we are offering a similar short break based in Lincoln. Brimming with history and heritage, Lincoln is one of England's finest cities and, being compact, can easily be explored on foot. Tackle the famous steep hill (downhill back to the hotel) and you will discover an array of independent shops, eye-catching buildings and photo-worthy moments. Follow the cobbles and you'll find Lincoln Cathedral, the Medieval Bishop's Palace and Lincoln Castle. These incredible attractions boast some of the finest architecture in the country, and a whole host of secrets are hidden within their walls.*

*In addition to spending time in Lincoln, our carefully planned itinerary includes interesting visits to attractions en route as well as in the surrounding area.*

*We do hope you would like to join our latest group tour and look forward to receiving your completed booking form in due course.*

## Itinerary

### Day 1

Depart Royal Well at approx. 08.30hrs. and travel north, making an appropriate comfort stop en route, to Nottingham Castle, Museum and Galleries, where group entrance is included. Inside the Ducal Palace there are a range of galleries & exhibitions about the History of Nottingham. This includes Nottingham Lace Gallery, Craft Gallery, Museum & Art collections in the Long Gallery, Museum of the Mercian Regiment, Rebellion Gallery and Robin Hood Adventures. We will then visit Nottingham Caves - the UK's largest network of caves - over 800 are hidden beneath its streets. At The City of Caves you can discover the largest publicly available section of this vast underground network. Enjoy a memorable adventure in history at the heart of this subterranean wonder - group entrance and guided tour are included. After the visit the coach will continue to Lincoln and the Holiday Inn where accommodation is reserved for two nights on a dinner, bed & breakfast basis.

### Day 2

After breakfast the coach will depart for the short journey to Lincoln Cathedral, where group entrance and guided tour are included. Consecrated in the 11th century, this is one of the great Cathedrals of the world. After our visit we have decided to leave the remainder of the day at your leisure to explore the city, after which you can either walk down 'Steep Hill' back to the hotel (approx. ¾ mile) or the coach will be waiting to transfer those who prefer not to walk.

### Day 3

After breakfast, the coach will make the short journey to the International Bomber Command Centre - This is a world-class facility to serve as a point for recognition, remembrance and reconciliation for Bomber Command - group entrance and guided tour are included. After the visit the coach will depart for Burghley House near Stamford, a magical home of magnificent State Rooms, awe-inspiring works of art and priceless treasures - group entrance and guided tour are included. After what is sure to be another interesting destination we will depart during the late afternoon for the journey back to Cheltenham, arriving during the mid-evening.
